

How did you rate the conference?	What was the highlight	In there anything we could have done differently?	Main thing you will take away	Has the conference helped you understand the importance of H, V & D?	What sort of MMCLT events would you be interested in attending in the future?	Do you have any skills you could offer to MMCLT	I recognise the importance of H,V and D	I'm intersted in helping to restore H, V and D	I'm going to put into practice what I'e learnt today	I'm going to join the MMCLT mailing list	I'm intersted in joining MMCLT as a member	Other comments
5	Phil Sterling's presentation	Roving microphones to hear questions	Potential for partnership delivery	Yes	Similar conferences		Strongly agree	Strongly agree	Strongly agree	Strongly agree	Not applicable	
5	Learning new insights on waterways and hedges, meeting new people with similar interests		1. Possibility of gaining ideas and supportfor hedge laying on our land 2. Considering adding a pond	Yes	1. Use of horses instead of machinery 2. Support for mental health groups as volunteers		Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	
5	Both hedge and ditch talk were excellent	1. The clarity of sound from the microphone is not greta for the hard of hearing 2. Ask speakers to always repeat the questions	Better management strategies for my hedges	Yes	1. Any of the 'how to protet/improve' themes are good. 2. 'Improvers' classes.		Agree	Agree	Agree	Agree	Agree	
5	Pete Lambert and the hedge talk	No it was great	Look more carefully at field edges	Yes	Likely local environmental impact of climate chance	Probably not	Strongly agree	Neither agree nor disagree	Agree	Not applicable	Not applicable	
5	Phil Sterling's presentation	Focus on Shropshire	Verge inspiration from Phil	yes	Best practice exchange		Strongly agree	Strongly agree	Neither agree nor disagree	Not applicable	Not applicable	Thank you
		Text on slides too small to read, went by too soon		Yes		Time	Strongly agree	Agree	Agree			
5	Phil Sterling's presentation		Similarity in the roles of hedges, verges and ditches and the environmental benefits of good management	Yes			Strongly agree	Agree	Agree	Disagree	Disagree	Also the catering was amazing!
5	Ditches talk	No, everything was spot on	Inspirational sessions, eeling motivated on different levels	Yes	Updates on the amazing work - celebrating what has been achieved	Admin?	Strongly agree	Strongly agree	Strongly agree	Not applicable	Strongly agree	The more I learn the more I realise I don't know! Heartfelt thanks for organising such an interesting conference. Plus the excellent refreshments - truly appreciated. I know how much effort and energy and cost goes into the planning, organisation and implementation of this type of event.
5	Nigel Adams - hedges	Link to presentations	The number of like minded people and organisations involved in trying to reverse the ravages to our wildlife and landscapes	Yes								Very well organised conference. Excellent venue and food. Speakers very informative and knowledgeable
5	Networking during breaks	No	What person/organisation to contact for tailored advice on all issues discussed	Yes	I would like to hear about all events	Would welcome a visit to my land (farm visit by MMCLT)	Not applicable	Strongly agree	Strongly agree	Strongly agree	Not applicable	I know the importance of these features, my problem is getting management plans for my land
5	Hedge talk and ditch talk	No	Hedge management	Yes								
5	Ditches and Dorset verge talks		Contacts for pond and ditch improvement	Yes	Land management		Strongly agree	Strongly agree	Strongly agree	Strongly agree		
5	Enthusiasm of Nigel Adams and Phil Sterling	Mircophone for questions - couldn't always hear	Life cycle of hedges	Yes			Strongly agree	Agree	Agree	Not applicable		
5	Phil Sterling, Pete Lambert, Networking, Food!	Discussion groups - it's a long time to listen. It was difficult sometis to hear questions from the floor - a roving mike needed. Couldn't hear Richard.	Phil Sterling's ideas and management approach. Site visit arranged with Pete Lambert	Yes	Practical workshops and field visits to learn from others	Yes - already offered	Strongly agree	Strongly agree	Strongly agree	Not applicable	Not applicable	Why why why were plastic bottles of water necessary? Jugs please!
5	Ditches and Verge Management presentations	Hard to concentrate for the whole day	Practical ideas to follow up	Yes	Land management	Already linked in	Strongly agree	Neither agree nor disagree	Agree	Not applicable	Not applicable	
5	Networking and range of talks	More interactive stuff - long time to be sat inside	Hedgerow management, value of connectivity	Yes	Any		Strongly agree	Strongly agree	Strongly agree	Not applicable	Neither agree nor disagree	

5	Hedge talk	Less distracting sound from kitchens. Better sound and visual - some speakers were very blurred and echoing	Life cycle of the hedge - tips on how to manage mine	Yes	Site visits Any further conference - esp grasslands	yes to skills but no to time	Strongly agree	Agree	Strongly agree	Strongly agree	Strongly agree	
5	Community			Yes			Strongly agree	Neither agree nor disagree	Agree	Not applicable	Not applicable	
5	Networking and info sharing	More interactive talks and group discussions	The value of hedges, verges and ditches combined and how our communities can impact/help this individually	Yes	All		Strongly agree	Strongly agree	Strongly agree	Strongly agree	Neither agree nor disagree	
5	All was very good and informative	Don't think so	Getting more involved in everything	Yes	Not sure		Strongly agree	Agree	Agree	Agree	Agree	
5	Networking and hedge management talk	It was great!	Need to learn more about management of land	Yes	Not sure what you put on but workshops on practical issues e.g. planting/laying/ponds etc		Strongly agree	Strongly agree	Strongly agree	Disagree		
5	The diversity of topics covered	More of the same please!	Optimism that we can make such positive change	Yes	Any that can become projects/adopted elsewhere	Project and programme management	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Increased understanding of ditches particularly
4	Ditches and hedges sessions	Improve the functioning and use of microphones	Looking more carefully at hedges	Yes	Similar		Strongly agree	Agree	Agree	Agree		
5	Several, but particularly ditches and hedges presentation	No	That it is with education we will take others with us	Yes	Re-visiting what we have heard today	No, not particularly	Strongly agree	Strongly agree	Strongly agree	Strongly agree		Very much improved my understanding of the importance of H V and D. Thank you
5	Networking opportunities - excellent practical presentations	Better microphone	How muc is going on, and volunteer opportunities to be involved	Yes	Similar conferenecs, field visits, workshops	Ecological experience, practical planning etc	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	
5	Calibre of the speakers and relevance to the subject	No	Inspiration!	Yes	Conferences, visits, volunteering	Maybe	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Not applicable	
4	Excellent enthusiastic speakers	Write names on lunches for those with special dietary needs	So many ideas!	Yes	Anything on land management or conservation		Strongly agree	Strongly agree	Strongly agree	Agree	Agree	
5	Phil Sterling	Less packaging on the food and more native/local flowers	How many good things are happening	Yes			Strongly agree	Agree	Agree	Not applicable	Not applicable	
5	Hedges talk from Nigel Adams, very informative	greater emphasis on ditches	Ways to help improve Shropshire's hedgerows and verges	Yes	Land management for biodiversity		Strongly agree	Strongly agree	Strongly agree	Agree	Agree	
5	All good and interesting but particularly enjoyed hedges talk by Nigel Adams	No	Optimism	Yes	Land management on small scale (e.g. 2 acres), woodland meadows		Strongly agree	Strongly agree	Strongly agree	Neither agree nor disagree	Disagree	Excellent
5	Phil Sterling's talk	Maybe more diverse speakers - all were men (apart from Charlie at the end). Room was very cold as doors were left open in morning.	Connectivity - People and habitat!	Yes	More like this - great	No time sorry!	Strongly agree	Strongly agree	Strongly agree	Not applicable	Not applicable	Food was excellent thank you but could have used less plastic e.g. no bottles
4	Several, but probably Nigel Adams	Time outside at lunchtime, maybe short walk? Open windows	The essential need for joined up thinking and actions - not single issue solutions	Yes		We can offer a farm walk - Clun Valley - discussion of integrated farming, wildlife, landscape and community conservation together	Strongly agree	Strongly agree	Neither agree nor disagree	Not applicable	Not applicable	Reminded me of lots of past learning
5	Variety of topics covered by the range of speakers. Particularly enjoyed the first talk on ditches and also the hedgerow talk.		The huge number of individuals and organisations interested in this field - it has been a great networking opportunity	Yes	Woodland based? Habitat value, ancient woodland sites, management advice		Strongly agree	Strongly agree	Agree	Strongly agree	Agree	

5	Great potential simply achieved with community benefits too	Somehow fell off list so no final emails/badge. Maybe a bit more tailoring to Shropshire context might have helped	Need to promote wider understanding/awareness	Yes			Strongly agree	Strongly agree	Strongly agree	Not applicable	Strongly agree	Big thanks to Jane for extra tea and cake!
5	The hedge man Nigel - very down to earth	More landowners present	Well managed, great food	Yes	Conservation focussed ones like today - maybe field based	Possibly	Strongly agree	Strongly agree	Strongly agree	Not applicable	Not applicable	
5	Variety of speakers		Lots of ideas	Yes			Strongly agree	Strongly agree	Strongly agree	Strongly agree		
4	The diversity of speakers experience. Connecting with knowledgeable people and talks	Better microphones for speakers. Better ventilation through hall	Local enthusiasm for subject	Yes			Agree	Agree	Agree	Agree		Great to have new projector screen!
			Lots happening and lots to do!	Yes	Verges, rivers	Scything but fully occupied	Strongly agree	Strongly agree	Strongly agree			Won't join mailig list as I'm in Shrewsbury
5	Nigel Adams talk and networking	Better audio. NO loud music right by our stall! Better use of microphones by some speakers. Chair could have been more assertive in controlling the troops!	Ability of verges and ditches, as well as hedgerows, to provide wildlife corridors	Yes	Any	Support only	Strongly agree	Agree	Neither agree nor disagree	Not applicable	Agree	
5	Talk from Phil Sterling	Make it longer! Really! Just brilliant	It can be done!	yes	Various	MMG	Strongly agree	Strongly agree	Neither agree nor disagree	Not applicable	Neither agree nor disagree	
5	Inspiration from successes such as Dorset Council verges, the potential to deliver similar success in Shropshire	No	Strong momentum from lots of different organisations and individuals to do things differently and better	yes	On site/farm events	Only through my work	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Neither agree nor disagree	Reinforced my understanding
