

Become a Member of the Middle Marches Community Land Trust

The Middle Marches Community Land Trust is a Society for the benefit of the community, which you can join by becoming a member. The minimum membership is £50 of £1 shares, and they mean that you part own a stake in any land that the Trust acquires.

These are lifelong shares in the Trust, and entitle you to one vote at the Annual General Meeting. They are completely non-profit making and cannot be sold on or transferred (unless stated so in a Will) – you are investing in the future.

The maximum number of membership shares one person can buy is £100,000, but they will hold only one vote regardless of the volume of shares. This means the Society remains completely democratic.

Membership shares are redeemable; this is at the discretion of the Board.

Shares do not lose or gain in value; shareholders are fully always protected and the value of their shareholding is guaranteed by law.

Thank you.
