## A Decade of Community Conservation

investment in the

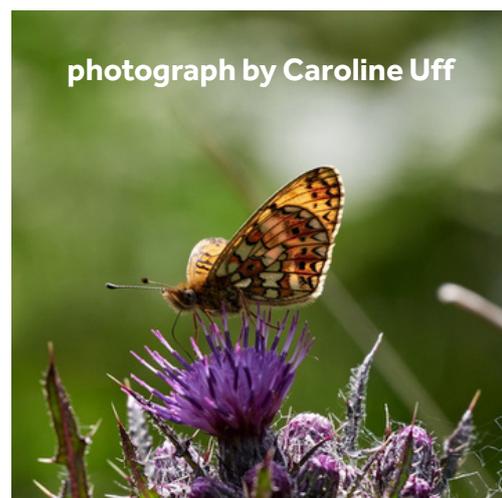

### Small Pearl-Bordered Fritillary Butterfly

**Wednesday 2nd September, 6.30 - 8.30pm**

**Norbury Village Hall, SY9 5DX**

Illustrated talk by Rob Rowe & Charlie Bell.

Volunteers have been improving the condition of wet flush habitat to benefit the Small Pearl-Bordered Fritillary Butterfly (SPBF). Marsh violet (SPBF larval foodplant) were propagated from cuttings and planted at sites around the Stiperstones where it is in short supply.

The talk is free to attend. We ask for a £5.00 donation which will cover hall hire and refreshments, with all additional contributions going to our 10th Anniversary Conservation Fund. Every pound helps us say 'yes' to more community projects protecting the Shropshire Hills.

**To book your place email [shropshirehills-nl@shropshire.gov.uk](mailto:shropshirehills-nl@shropshire.gov.uk) or call 01743 254740 or [click here](#) to book online.**
